STOCKS DECLINE *** UNDER PRESSURE

Movement to Take Profits Overbore New Buying Demand and Tone Was Reactionary.

RECOVERIES WERE FREQUENT

Reading Soared to New High Level St. Paul Very Active.

NEW YORK, August 18.—Precautionary measures to preserve profits in the shape of selling to realize overbore the new buying demand to-day and gave the stock market of the day a reactionary tone as a whole. Some question as to the possible effect of the outcome of ace conference at Portsmouth and large inroads of the wack on the reserves in the banks emphasized the disposition to reduce commitments.

cash reserves in the banks emphasized the disposition to reduce commitments. The market continued to show a firm undertone, which was manifested by the progressive duliness of the trading as prices declined.

The selling, in fact, was not pursued aggressively, and the market half frequent periods of recovery. St. Paul was the conspicuous instance of early strength, and it was made to open at a wide advance over last night, while active selling began almost immediately at all other points in the list. Late in the day an enormous accumulation of Pennsylvania set in, and this served to hold the level of prices for a time at other points. Reading also went to a new high level during the day.

This about exhausts the list of strong stocks among the active market leaders. Otherwise the pressure to sell was quite general, but was most marked in the latest speculative favorites. The Pacifics were especially affected. While the market showed resistance from time to time, prices were tending downwards at the close, which was about the lowest of the day.

EMPORIA LOST ANOTHER GAME

The Visitors Played Well But Were Unable to Win.

MANAGER PEEBLES TALKS

He Says Richmond is a Fine Place, With Many Fine People.

At opportune times the Emporia batters could not connect and at inopporwere making errors. This is why the score of 4 to 3. There was a large chunk of luck handed along with the times as many hits as the home boys. Rotten playing in the third, inning lost

Rotten playing in the third inning lost the game for the Emporia aggregation.

Vyche, out in right garden, got under a long fly, but his petals refused to close, and the sphere fell to terra firma with a dull thud. And Turner made a bum error at short, but afterwards redeemed himself by fast work, both on the diamond and in the box.

Rawlings started the game for the visitors, and pitched five innings. He had a sprained thumb and could not grasp the ball properly, and Turner came in from shortstop to do the bending exercise. Rawlings went to short. And Turner turned some mysterious kinds of kinks loose, for the Brownies counidn't connect safely. Not a hit was gotten in the sixth, seventh, eighth and ninth innings.
All of this time the Emporia boys

All of this time the Emporia boys were pounding Winston, but setting the safe ones when they didn't count for much. There was no bunching of hits save in the second inning, when the boys found the Brownie twirler for three good ones and scored two of the runs.

Hour They Did It How They Did It.

good ones and scored two of the runs.

How They, Did It.

The first inning resulted in goose eggs for both sides, and the Browines got nothing in their half of the second. Gathright ezoned in the opening of the second, and 'Eane's smacked a beautiful two-bagger. H. Hobbs sent a hot one through short, and Eanes came across. Nuns handed one down to third, and it wasn't handled, and when Wyche pasted a good one H. Hobbs came over. But Wyche was caught between the sacks and died.

In the third the Brownies had their linning. McLeavy was biffed and stepped to the first bag. Winston got a scratch hit, and he and McLeavy did the double steal racket. Bowers sent one out to Wyche, who dropped it, and Rose, the next batter, ripped a two-bagger. The following three men died, but three runs had been made.

The Emporla boys left last night for their home. They will play Lawrence-ville to-day at Lawrenceville, and next week will meet the Richmond Brownies, or Anthony's boys, on their own grounds.

Manager Peebles, before leaving last night, said that he was much gratified with the treatment his team had received here. "The Richmonders know how to attend to a visiting crowd. The grand stand is exceedingly liberal, and applause is always given to a man when he makes a good play. I can say for grand stand is exceedingly liberal, and applause is always given to a man when he makes a good play. I can say for every man with me, that they highly appreciate the gentlemanly manner in the hotel I have met many friends, and I really wish I could play a game here cach week."
